With the year end pension season quickly approaching, it's time to take a look at an important provision that was part of the Pension Protection Act. The law now allows a deductible contribution to a defined contribution plan in addition to the full defined benefit plan deduction.

Each webcast will last approximately 30 mins. and will allow time for your questions.

The ability to add a second plan increases your prospecting options immeasurably. Even if a business owner already has a plan you can get your foot in the door by discussing the potential for them to increase deductions by adding a second plan.

Want to learn more about deduction limits for combined DB and DC plans? Join us for a live 30 minute webcast on Wednesday September 8th at 11:00 EDT.
